

DUBLIN

Dublin deck mounted water mixer spout with lever handle $\frac{1}{2}$ " NPT

Installation Guidelines

Style # 17206188 - ORIGIN

- Place the mixer through the mounting hole.
- Place the rubber washer, metal washer and nut on body mixer and securely tighten the nut to secure the mixer.
- Connect the hoses on the water supply.

NOTE: The supply hoses are marked with colored zip ties to identify their function, red for incoming hot supply water and blue for incoming cold supply water.
